

National University of Singapore; ECE Department
EE2012 Analytical Methods in ECE
Joint Activity Report (JAR) on Experiments I, II & III

JAR Due Date: 5 pm Friday last week of the classes for the current semester;
One report per group is to be submitted along with reports for Exp I, II, & III.

Name & Matric No.*	Contribution (0% – 100%)	Signatures Confirming Originality of Content*

* A zero mark will be awarded to a student whose name and signatures do not appear in JAR for the group.

Other Comments/Feedback:

Notes:

1. Equal entries in the Contributions column will lead to same mark for all group members.
2. Students are expected to take the intent and spirit of the last column seriously.
3. Experiment reports will not be accepted unless accompanied by JAR.
